Dear Janet,

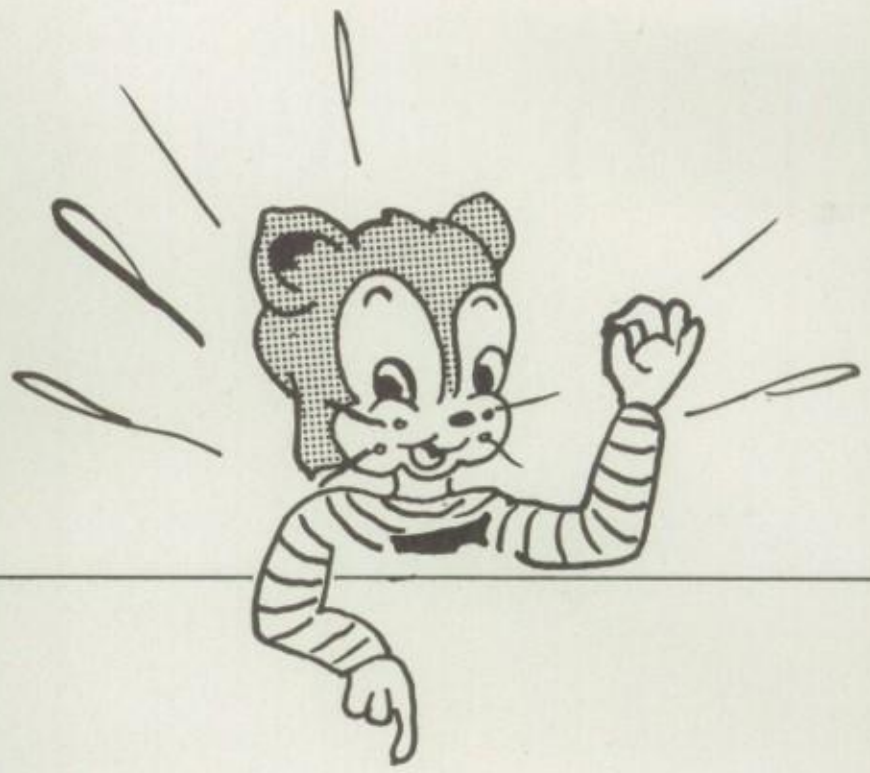
THOMAS A. DAVIS



TO STUDENTS OF ENUMCLAW HIGH SCHOOL:

This has been my first year working with you and the faculty members of Enumclaw High School. It has been a pleasant year, and an enjoyable one. My impressions of you this past year are of the highest. I wish to commend you for the fine spirit of sportsmanship shown, and urge this principle as a necessity in the achievement of things worth while.

Your days of preparation here in the Enumclaw High School are very important, as you are shaping the plan of your future life. You are establishing aims and objectives which will be the directing agencies in the years to come. In the future, you must stand as an example of your preparatory period of today. You are building the structure which must remain as the representation of your handiwork throughout your lifetime. Your future life will be guided by the ideals which are being formulated now.

The opportunity to go to school in this great democracy of ours, and its guiding influence, was given to you in the belief that your native endowments may be quickened and increased in power.

It is my wish that you make the most of the benefits derived from the associations and fellowship it offers to you.

Annual Staff

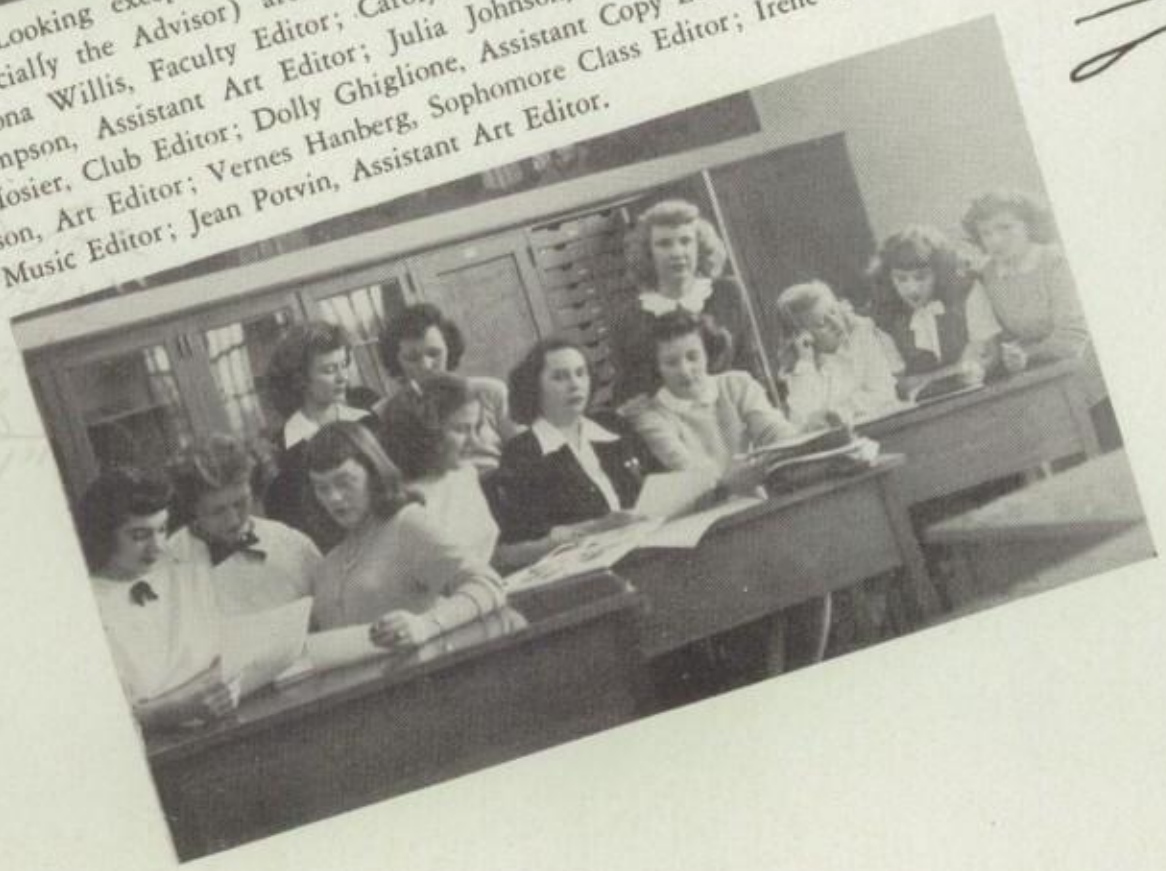
Such strains as "Where in the heck are those football pictures", "Get that copy in by tomorrow" and "Let's go home" are heard escaping from the annual staff torture chamber every period of the day and late into the night, while the worn-out slaves struggle to meet the deadline.

When the subject of Homecoming arose, the question of sponsors naturally was answered by "Give it to the Annual Staff", the hardest working gang in the school who work for the interests of the entire Student Body . . . . So the staff slaved, sweated and toiled with organization, publicity, arranging and promoting the first Homecoming Day.

The B. T. O.'s of "Tiger Tales 1948", grin with a deft determination as they let you know they are some of the people responsible for this year's edition. The camera caught them as they mugged, from left to right: Mary Engebrigtsen, Assistant Business Manager; Connie Gunderson, Assistant Editor; Lorraine Hanberg, the big wheel (the Editor); Wayne Thomas, Business Manager; and Mr. Waldron, the Advisor.

Leaning in toward the center in order to mask out Dave Potter, Copy Editor, is Keith Oien, Assistant Sports Editor; next is Jim Ghiglione, Freshmen Editor; Bob Sager, Staff Photographer; Dorinne Hobbs, Hall of Fame; Peggy Love, Junior Class Editor, and Leon Hobbs, another photographer.

Looking exceptionally industrious (though they are fooling no one, especially the Advisor) are: Martyna Nachtsheim, Activity for Seniors; Rhona Willis, Faculty Editor; Carolyn Angman, Snap shot Editor; Shirley Simpson, Assistant Art Editor; Julia Johnson, Senior Class Editor; Jerri Mosier, Club Editor; Dolly Ghiglione, Assistant Copy Editor; Lois Gunderson, Art Editor; Vernes Hanberg, Sophomore Class Editor; Irene Eberhardt, Music Editor; Jean Potvin, Assistant Art Editor.



STUDENT BODY ASSOCIATION

They Lead the Way

Delbert Grennan, our student Body prexy, presided over assemblies and Board of Control meetings; vice-president Bob Thompson, planned assemblies and filled in as president in the absence of Del; Marcella Koshak, secretary, recorded the Board of Control minutes and attended to the Student Body correspondence; and treasurer Wayne Thomas, with the assistance of Mr. Bogdan, kept our financial records in order.

The Board of Control was made up of the Student Body officers, club and class presidents, and class representatives —with Mr. Bunt as advisor.

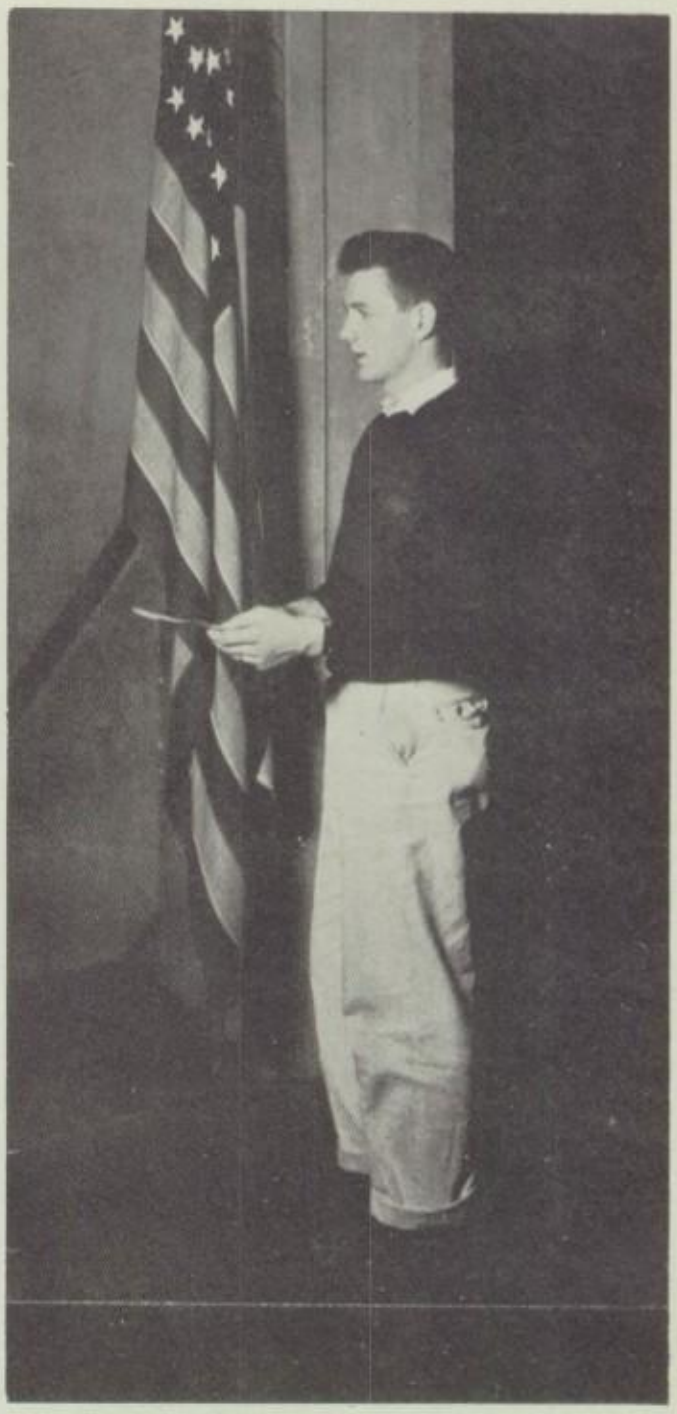
A good conception of the Board of Control's procedure was gained by the students when they were invited to witness a regular meeting.

Making laws that will help in maintaining a smooth-running school, ap proving amendments to constitutions, discussing student behavior at games and assemblies, and supervising club and class activities are just a few of the many duties performed by this energetic group.

The Board of Control also purchased a new black curtain with orange trimming for our auditorium.

Another important project that was established by the Board of Control this year was the plaque system. The object of this system is to encourage students to participate in the extra curricular activities that are offered by our school. Seniors who have turned out for a certain number of activities will have their name engraved on a plaque to be awarded on Class Day.

Pondering over future business for the student body are Bob Thompson, SBA Vice-President; Wayne Thomas, Treasurer; Marcella Koshak, Secretary; and Del Grennan.



Del Grennan, SBA prexy, reads a bulletin of vital interest to the students in front of our new black curtain.

Representatives from various clubs and classes. Standing and ready for discussions are: Glenn Kranc, Dorothy Lokovsek, Leon Hobbs, Sophie Fedash, Maurice Halleck, Lois Gunderson. These discussions were led by, seated: Lois Timm, Wayne Thomas, Doreen Rice, Marcella Koshak, Del Grennan, Bob Thompson, Lorraine Hanberg, Janet McKinnon.

TORCH HONOR SOCIETY

SETTING HIGH GOALS

Getting off to a good start by presenting their annual assembly on September 26, 1947, the Torch Honor Society began one of its most colorful years. At this assembly fifty-four members were given pins. President Sophie Fedash acted as mistress of ceremonies and a number of Torch members participated in the program. Mrs. Julie Gilbert, the guest speaker, gave a very interesting talk on her travels in Europe. A Scotch costume presented to Mrs. Gilbert in Europe was modeled.

The next big event was the winning of first prize in the club division of floats in the Homecoming parade. The float was made to represent a boat with a facsimile of the "Statue of Liberty" and the "Thinker" on it. The prize float was a good example of the fact that Torch sets and reaches high goals.

Co-sponsoring the play "Macbeth," presented by a group of University of Washington Thespians, Torch and P. T. A. netted a total of $150. The money is going to be used for buying a piece of hospital equipment for the memorial hospital.

In order to raise funds to help finance a trip to Seattle, Torch members sold pencils with the complete schedule of our basketball team on it. They were very popular with the students because of their interest in basketball.

Besides guiding Junior Torch, made up of seventh and eighth graders, Torch sponsored Honor Roll this year. This is a list of names of people who make nearly a B average each quarter. For people who aren't in Torch this is the first step to try to make the club.

Miss Cass, adviser, and the committee revised the constitution this year to conform with the present curriculum.

With a fine set of officers, President—Sophie Fedash; Vice-President—Connie Gunderson; Secretary-treasurer—Donna Gadeberg, and a good adviser, Miss Cass, much was achieved.

SENIOR HIGH GIRLS' CLUB

The Senior High Girls' Club began its activities this year with its annual dance, whch was held on November 26th. The intriguing theme of "Desert Song" was selected for this program dance, the first of its kind in E. H. S. A great deal of credit goes to Doris Ann Semanski, dance chairman, for her hard work on this Tolo. The Mothers' Tea, sponsored by the Girl's Club each year, was, this year, highlighted by a fashion show. With the guidance of Darlene Warren, Social Chairman, this Tea proved to be one of the year's most successful affairs. Under the able advisorship of Miss Benson, the Girls' Club has undergone a complete reorganization and has completed one of its most active years. The newly organized committees and their chairmen are as follows: Program—Peggy Love; Standards—Ann Dalquist; Finance—Claire Moergeli; Social—Darlene Warren; Friendship—Janie Josie; School Service—Jerry Mosier; Community—Norma Kamp; Publicity—Pat Matheny.

SENIOR HIGH BOYS' CLUB

Under the leadership of President Maurice Halleck, the Senior High Boys' Club has completed another active year. The boys worked frantically during the week preceding "Homecoming" to finish their float, which depicted the different sports in which they partcipated. The fnished float showed a great deal of hard work on the part of the boys. The Boys' Club also adopted a new constitution this past year. Mr. Stricherz, the Boys' Club advisor, aided the boys a great deal this year and helped make all club activities interesting.

JUNIOR HIGH GIRLS' CLUB

The Junior High Girls' Club sponsored a mixer with the aim of teaching more Junior High students how to dance. This idea proved to be a huge success. The girls also sold coke and doughnuts during the half-time at many of the Junior High basketball and football games. Miss Margaret Newell, advisor, led the Junior High Girls' Club through another eventful year spiced with fun and work.

JUNIOR HIGH BOYS' CLUB

Under the leadership of Fred West, Junior High Boys' Club prexy, the club had a very eventful year. Not to be outdone by the Girls' Club, the Junior High Boys' Club also sold coke at some of the football and basketball games. Their meeting consisted of business discussion and enjoyable programs. Mr. Stricherz was also the very able advisor of the Junior High Boys' Club.

Looking over business matters we see Boys' Club prexy Maurice Halleck and Boys' Club Vice President Glen Kranc. Not pictured is Secretary-Treasurer Warren Pedersen.

GIRL'S "E" CLUB

This year's officers who did a very fine job were: Doreen Rice, President; Darlene Warren, Vice-President; and Vetsa Galimanis, Secretary-Treasurer.

New members (sophomore girls) are initiated into the club, if they have worked hard in participating in the different sports. The members have the big honor of dishing out the initiation which includes wearing four sweaters, skirt turned up-side down, and garlic in the pigtails of the initiates. All in fun, of course, and do the girls ever love it!

One of the first sports of the season for the Club is volleyball . . and at the same time . . as a sideline, ping-pong and shuffleboard. A little later basketball becomes the main event which the girls enjoy.

During the last three months of school, baseball, hiking, bowling, tennis, and bicycling are the many sports.

At the end of the year a first-year girl having four points is eligible for a letter and her first chevron. A second-year girl, her second chevron and three-year members, her third chevron, the highest award to be given.

"E" Club is an active organizations which builds up high standards and ideals as well as provides a chance for athletic participation.

Future Homemakers of America

The initials "F. H. A." stand for a club known as the Future Homemakers of America. This club was organized two years ago in Enumclaw High, in order to promote more interest in Home Economics, to encourage democracy in home and community life and to work for better home and family life for all. These are only a few of the many purposes of the club. Throughout the year, the club has tried to promote these purposes in as many ways as possible.

The year started out by a newly elected cabinet, which, in working with their advisor, Miss Benson, formed a strong backbone for the club. Approximately 65 girls who are members have taken an active interest in club work.

By October, the club was actively under way, serving a P. T. A. Convention luncheon. During November, they sponsored an after game dance which with appropriate decorations proved very successful. Also, during this same month, they sponsored an All-School Play cast dinner. Still keeping up the pace, during December, they sponsored a Christmas Bazaar, and a Christmas Faculty Banquet. During April and May, a skating party and a F. H. A. picnic were held respectively. They helped raise funds by selling hot dogs and cokes at games.

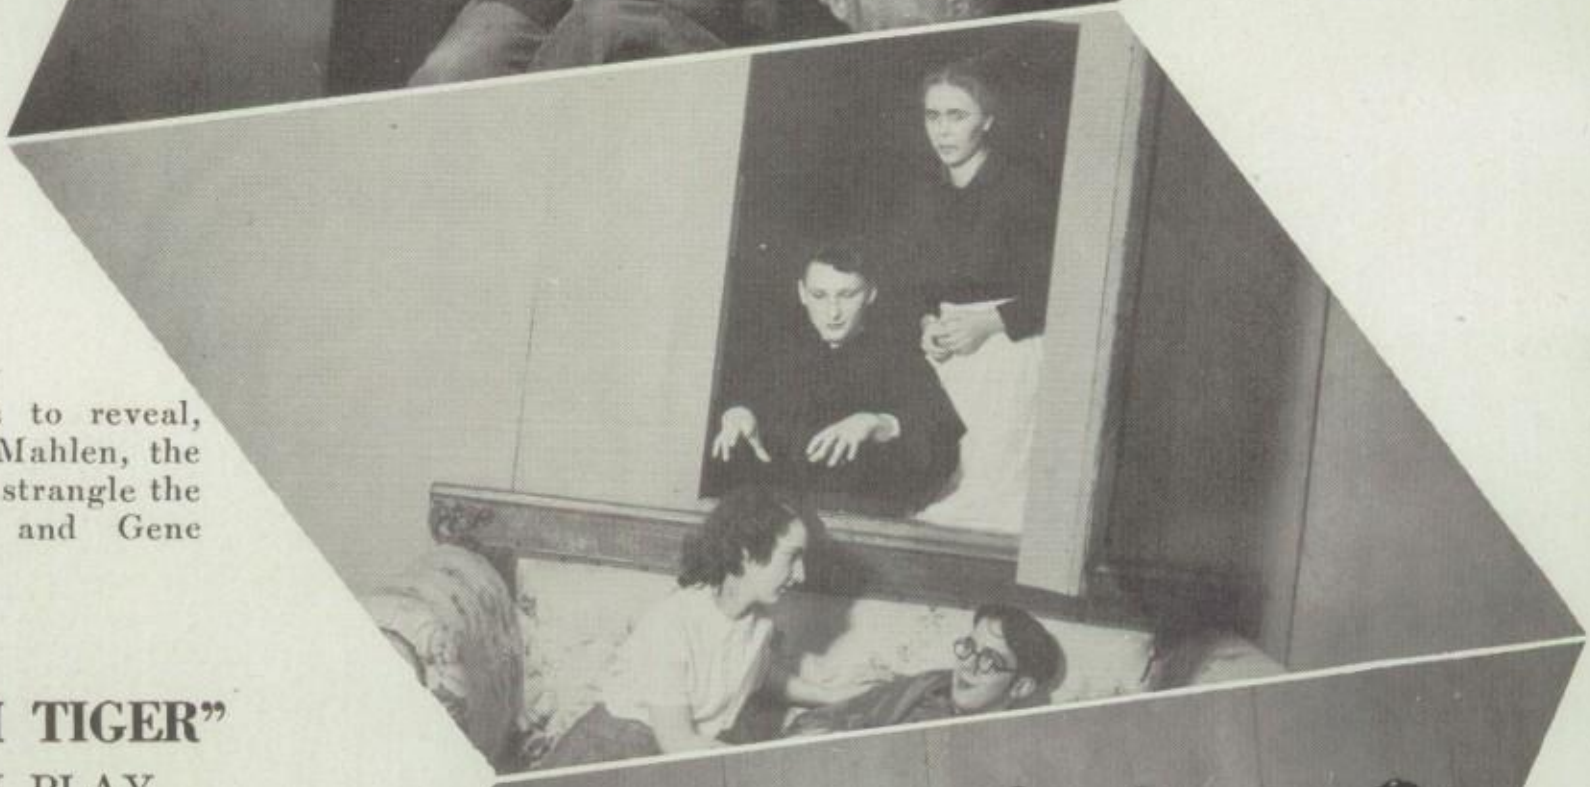
Mrs. Postler

Posing for a picture from a thrilling scene are Rose Marie Schuett and Jim Kime. The villain, Delbert Sambila, also pictured, is standing at the window through which he entered to take the jewels.

Before the fireplace, where death in the form of a vicious tiger lurked, we see Connie Gunderson, who was a sensible heiress. She was in love with Pete Phillips, a level-headed romantic man. Dick Straley, a frightened negro wanted to go home to his family, that kept increasing by the hour.

Terry Cooper, a supposedly brave Sheriff, poses with Dorinne Hobbs, a spinster, who. with her womanly instinct won his heart.



The secret door opens to reveal, Stella Fedash and Mary Mahlen, the Tiger's assistants ready to strangle the lovers, Joan Malgarini and Gene Wright.

HOMECOMING

This was Enumclaw's first annual Homecoming celebration. The highlight of the day was a street parade, a royal coronation ceremony, and a exciting football game with the Auburn Trojans, followed by a public dance at the recreation park. The program was sponsored by the annual staff, under the leadership of Mr. Rex W. Waldron, staff advisor. Photographs for the beauty King

Dear Mr. Waldron:

Well, I've finally made up my mind in selecting the winner of your Beauty Contest. It only took me three days to decide, too... but then you know these Washington young people.

Anyway, my choice is in the following order: Miss Sue MacKay, Miss Ruth Dodge, Miss Julia Johnson; Mr. Evan Richey, Mr. Charles Krainick, Mr. Delbert Grennan.

May I send my best wishes to all of these young folks, and congratulate Enumclaw High School on having so many fine looking boys and girls from whom to choose winners.

My best regards

and Queen contest were taken by Mr. Standar. The pictures were then sent to Bob Hope and he chose Sue MacKay ,and Evan Richey as Queen and King. Their attendants were Charles Krainick, Beth Dodge, Julia Johnson and Del Grennan. The parade consisted of floats entered by each of the classes, of the various schools clubs, and by business establishments in Enumclaw. The climax of the parade was the crowning of the king and queen by Mayor Stobbs at the intersection of Griffin and Cole Streets. The prize-winning float was the Junior Class. The Tigers beat the Trojans 12-6. The Royalty ruled over the crowd from their convertible cars near the 50 yard line.

MR. R. CAMPBELL

***ED ANNAS**—All conference two years and All State in his senior year. Well adept to snagging passes and was a stalwart on defense. Co-captain.

***DAVE POTTER**—Entered from Kent in Junior year. Dave was regular left tackle. He was small, but a great man to have in a goal line stand.

***DEAN McINTYRE**—A two year "E" winner in football "Mac" played in the guard slot. Few runners got through his side of the forward line.

***MAURICE HALLECK**—Voted co-captain by the team. Morry exhibited very fine center play. Because he missed a few games as a result of injuries received in the Lake Washington game, our prize pivot man did not make the all conference berth he deserved.

RALPH WILDE—This stocky guard, a junior, gained himself the reputation of being the lineman you couldn't push back or take out of plays. Ralph will be the fly in the ointment of many teams next year.

WALT HENRY—Walt was chosen, second team all conference tackle in this his Junior year, so a lot of good line play is expected of this big fellow next year.

HAROLD LOKOVSEK—"Hates" the rugged 6′ 2″ Tiger end will also return for another season of the gridiron sport in the fall of '48.

***DEL GRENNAN**—Playing his third year of exceptional backfield ball, our Bengal quarterback ran, passed and kicked his way to first team all conference glory in his senior season. The smartest field general in the league was Del's earned distinction.

***WARREN PEDERSEN**—This speed burner of the turf made his name in the "Homecoming" game with Auburn when he streaked 40 yards untouched for a touchdown, tightwalking the sideline.

***BOB HANSEN**—Also a great passer, Bob completed better than 60% of his aerials this season. A fast little runner too, this halfback picked up quite a few yards via the ground route.

JOE FANTELLO—"Joltin' Joe" the bustin' fullback cracked a big line wide open with sheer power on many occasions. He will definitely be the back to watch next season, as he is only a Junior.

*Graduating Seniors.

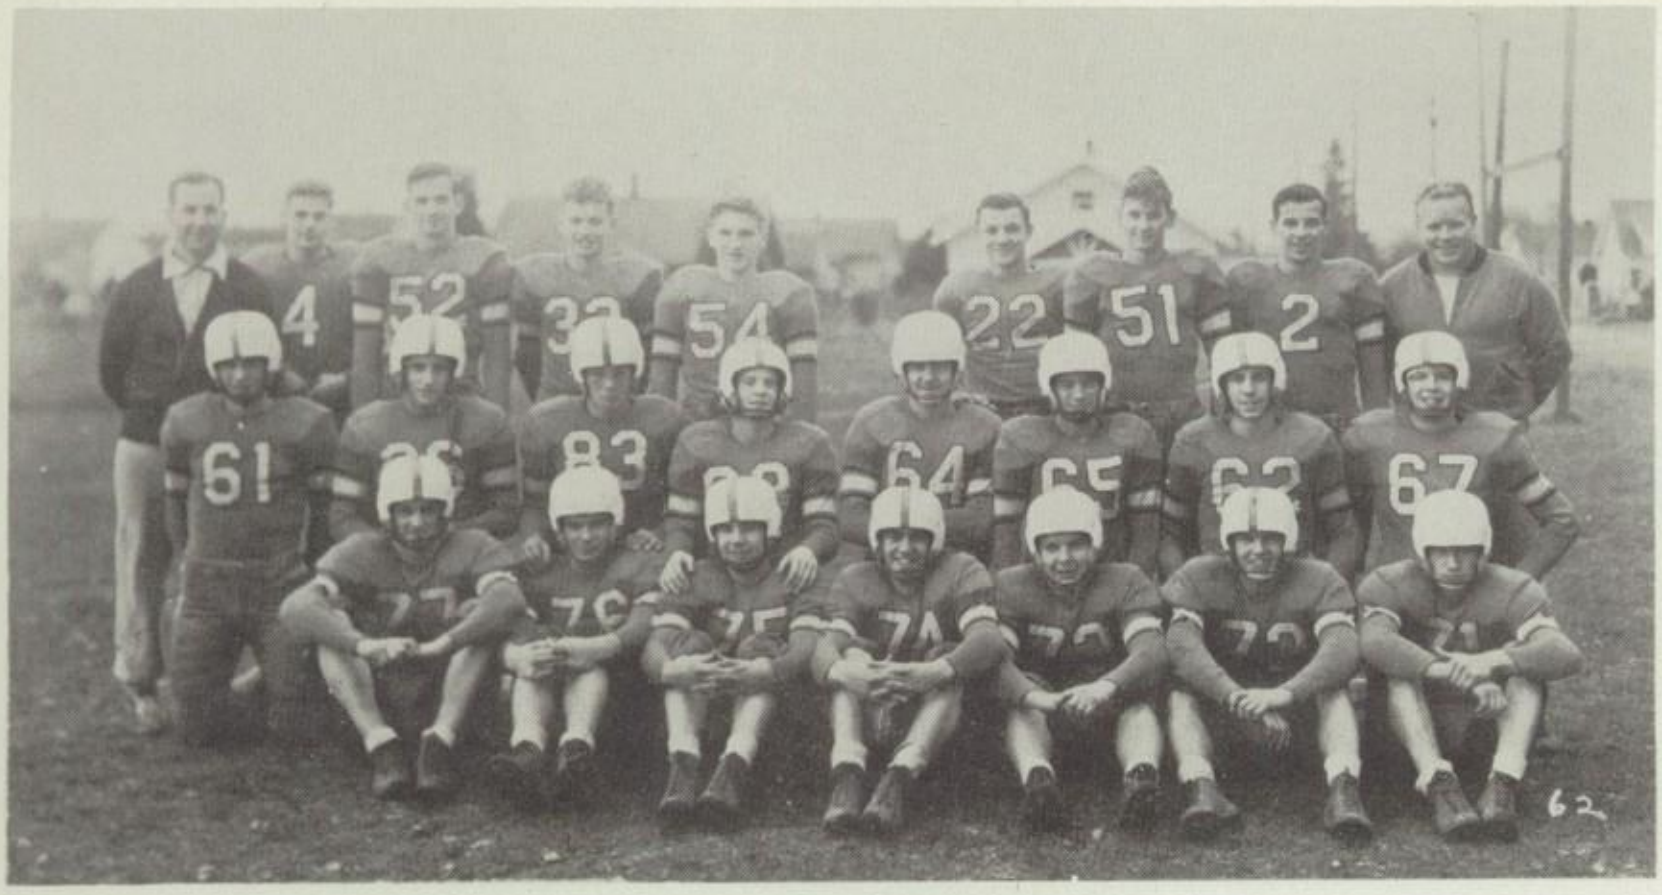
WARREN PETERSON



The playing squad, chosen by the coaches, pose for this edition of Tiger Tales. They are:

Top row: Mr. Stricherz, Dick Lafromboise, Dick Garland, Bob Hansen, Glenn Kranc, Joe Fantello, Warren Pedersen, Curt Blanchat, Mr. Campbell.

Second row: Bob Parkerson, Gene Soderquist, John Balint, Bob Hanson, Dave Manson, Dick Groff, Jim Mariotti, Bill Morris, Harold Lokovsek, Walt Henry, Dean McIntyre, Maurice Halleck, Ralph Wilde, Dave Potter, Ed Annas.

Jamboree

The Tigers met an over-rated Lake Washington team which they quickly drove back to their own goal to score a safety. After the kickoff the ball was quickly exchanged and the Tigers again scored. Auburn nearly evened the score with their 7 points.

The South won 9 to 7 on points all made by the Tigers.

Enumclaw 24, Sumner 6

The Tigers opened the season strong against a team they hadn't defeated in 3 years. Scoring once in the first quarter, once in the second, and twice in the third the Bengals turned the game over to the reserves who held off a last minute Spartan drive.

Enumclaw 0, Highline 26

The Tigers opened strong with a 40 yard drive which ended when the chances to score were fumbled away. The Pirates scored on 4 to 5 Enumclaw fumbles which they recovered.

Enumclaw 7, Kent 0

Back in their old form the Bengals held off the Kent Vandals for three quarters before driving for the only touchdown of the game and successful conversion. The Vandals tried a last minute passing attack but even this did not get them within the Tiger 15 yard line.

Enumclaw 13, Clover Park 0

The Tigers were somewhat over-confident about the Warriors because the opposing team had been reported small and fast. The Warriors ran circles around El Tiger for two quarters but after the half the boys looked like a new ball club. They give all credit for the two touchdowns and conversion to the pep talk the coach gave at the half.

Enumclaw 6, Lake Washington 6

Inspired play by the Kangaroos gave the purple and white the first touchdown against the mighty Bengals. At the half the Bengals were scorched, not by the fighting Kangaroos but, by the lime on the field. Evidently the persons liming the field had gotten hold of some hot lime. But the burns didn't stop the Tigers, they came back and scored a touchdown and kept the ball the rest of the game. To those holding their ground on the field the game seemed like an eternity.

Enumclaw 12, Auburn 6

The big game of the year for El Tiger was Homecoming, the first for the Alumni of E. H. S. Many of the first string were still recovering from lime burns in the last game. The Tigers were ahead all night and put on a good show for the "Old Grads" who came to see this years' Tiger squad take on an old rival.

Enumclaw 7, Renton 13

This was probably the only loss which seemed like a victory to the Tigers. With seconds to go the Bengals clawed their way to the first touchdown of the year against the league champions from Renton. The score that defeated the Tigers is still questioned. It started as an end run but when the Renton fullback fumbled, J. T. Curry scooped up the ball and ran for a touchdown. Even the Indians gave the Bengals credit for a hard fought game.

Enumclaw 12, Puyallup 0

The Tigers played inspired ball for an old rooter, Chuck Knight, who had been ill for a while and unable to attend. It was a seesaw game for the first half with the Tigers doing most of the pushing. Opening up in the last half the Tigers scored two touchdowns and the game ended with the Vikings never penetrating past the Tiger 25 yard line.

Enumclaw 0, Buckley 0

The final game of the year was played in near freezing weather against an inspired Buckley team. Enumclaw got the breaks driving to the one yard line three times but failing to score. Buckley never seriously threatened but between them and the weather neither team could rally to score.

Junior High Football

Enumclaw High School, as well as the Junior High, can well feel very proud of the 1947 record turned in by the Junior High football team. This team went through it's entire season without a loss. The Tiger Cubs had only a 6-6 tie with Puyallup to mar their excellent record. The tie with Puyallup, which was their first game, must have spurred the Cubs on, because they went on to win the championship of the entire Puget Sound League.

Chalking up a very impressive scoring record of 138 points for and only 19 points against. The Junior High team scoring was lead by fullback Fred West and right halfback Bob Leggett. Following the Puyallup game, the Cubs downed Clover Park 14-0, Sumner 28-0, Sumner 21-0, Puyallup 9-7, and Clover Park 31-6.

This outstanding series of victories gave the Tiger Cubs the championship of the Southern Division of the Puget Sound League. The Cubs then played Highline, the winner of the Northern Division, for the championship of the Puget Sound League. Highline's hopes for a victory were quickly shattered by Coach Krueger's Tiger Cubs, as they ran up an easy 19-0 win to take this year's championship.

At the close of the season they elected John Mariotti as Honorary Captain.

Junior High coaches Krueger and Hardtke handed out twenty-five first team letters and four manager letters to:

Enumclaw 26, Lake Washington 22

Opening another season the strong Bengals overcame ragged, early season play to best the Kangaroos four points. Enumclaw led all the way with quarterly scores of 7-3, 10-6, and 14-12.

Enumclaw 38, Buckley 23

The odds were against the Bengals as it had been years since they had handed Buckley a defeat in their own gym. But the Tigers settled down to playing good basketball and the reserves held the battle for the last few minutes.

Enumclaw 32, Highline 28

A smooth working team of Enumclaw Tigers pulled the fat from the fire in the last three seconds of play to beat a favored Highline five.

Enumclaw 36, Clover Park 32

El Tiger opened strong in this game leading 8 to 5 at the quarter and 20 to 12 at the half. The Warriors, improving fast, kept within four points of tying for the rest of the game.

Enumclaw 28, Sumner 37

This was the first game Sumner had won from the Bengals in three years. It was close all the way with Sumner piling up their lead gradually. Both teams played good ball but the Bengals missed a larger percentage of their shots.

Enumclaw 46, Kent 22

The Enumclaw Tigers mauled the Kent Vandals to remain tied for first place. The Tigers were ahead all the way and were never threatened.

Enumclaw 25, Renton 24

The battling Tigers won a thriller-diller from the Renton Indians by a last minute score. Renton led all the way but the rooting section and the determination to win helped El Tiger to victory. The starting five each scored one basket in the last quarter to win the game and undisputed first place in the league.

Enumclaw 29, Auburn 41

The Tigers just held their own for three quarters before the determination of the Trojans drove them ahead. A shakedown in the lineup helped give Auburn the drive to avenge their football defeat.

Enumclaw 23, Puyallup 25

This was a tough game to lose as El Tiger was the best looking team on the floor. The Vikings were behind all the way and overcame a small lead to tie and with seconds to go a long shot from the center of the floor gave them the winning two points.

Enumclaw 23, Lake Washington 41

The Bengals with scoring ace Ed Annas missing were an easy mark for the Kangaroos. Every man on the Kangaroo squad topped our men by several inches which also helped make the difference in scoring.

Enumclaw 48, Buckley 37

El Tiger played a deliberate game to easily dump the Mountaineers from Buckley. The closest score of the evening still gave Enumclaw a five point lead.

Enumclaw 29, Highline 41

Highline had a very efficient system this night with Angove in charge of backboards and Olson in charge of baskets. El Tiger stayed within three or four points until the last quarter when a ten point spree decided the game for Highline.

Enumclaw 39, Clover Park 41

The two small fast teams played just the game you would expect. Many of the plays developed into mad scrambles which helped eliminate three of the first string on fouls. The Warriors led most of the way and broke a tie to win with ten seconds left in the game.

Enumclaw 31, Sumner 46

Enumclaw opened fast but the Sumner offense had more accuracy and we never threatened them again. Sumner used a tight zone defense on their small floor and it prevented our guards from scoring close in.

Enumclaw 40, Auburn 37

El Tiger surprised Auburn and was able to keep their scoring threats well checked by using a combination man to man and zone defense. They also showed good ball handling and accurate shooting. Opening fast the Tigers poled up a 10 point lead which was held until two of the regular fouled out in the last quarter.

Enumclaw 35, Renton 39

In one of the best games of the year, both teams fought hard and clean. Both teams and student bodys received compliments on their sportsmanship and conduct. Neither team had more than a two point edge all through the game until the final minute when Renton sunk two in a row to win by four points.

Enumclaw 40, Puyallup 44

Puyallup won another one by a last minute scoring spree. The Tigers led up until the half when the Vikings quickly tied and held the score even until the last few minutes when Morry Halleck fouled out and they dominated the backboards.

Enumclaw 37, Kent 27

The Kent Vandals, primed for an upset, were overpowered by the deliberate, smooth, Tiger offense. Kent never came within three points of tying and this game gave all the reserves a chance to see action.

FRESHMEN CLASS

This year's Freshman class proved most successful both in scholastic and extra-curricular activities. The class is under the capable leadership of Dorothy Lokovsek, President; Bill Mueller, Vice-president; Mahlon Lilly, Treasurer, and Fred West, Secretary.

The Class of '52 supplied most of the effort for the Junior High teams, which took the football championship and tied for the basketball championship. Outstanding players were Fred West, Mahlon Lilly, Gene Balint, John Mariotti, Francis Drake, Richard York, and Dick McGee. Approximately one-quarter of the class is on the honor roll.

Other activities of the Freshmen include the Freshman Girls' Chorus, the Freshman Drama Club, which comprises forty members, and the Friendship Committee led by Jean Hickenbottom which keeps former members and those who are away from school through illness up to date on the school's activities. SOPHOMORE CLASS

We began the year with the election of officers: Leon Hobbs, President; Eddie Semanski, Vice-President; and Edna Willis, Secretary.

Throughout the athletic season we were well represented with Curtis Blanchat and Dave Manson winning letters in football. Elmer Engebrigtsen was high point man in basketball tor one game. He was a favorite of the Enumclaw Sophomore rooters all year.

The Sophomore Hop, the most informal dance of the year, was held in April. This dance was mostly a stag dance as is customary. It was enjoyed by everyone.

Sophomores Dorla Duncan, Delores Bress, Ellen Bruhn, Joann Strickland are four of the five members of the majorettes who deserve much praise for the successful year of performance.

Our advisors were Ross Bennett, William Burt, Gerald Campbell and Bob Campbell. They helped us very much with our activities and we are now looking forward to the next two years of E. H. S. and hope we enjoy them half as much as we have enjoyed this year!!

JUNIOR CLASS

The Juniors, at the beginning of the year, elected Glenn Kranc as president, who has led the '49 Class in many activities. The other offices were held by Dean Johnson as Vice-President,, and Donna Odell as Secretary-Treasurer. Our very capable advisors were Mrs. Horn, Mr. Thomas and Mr. Waldron.

The boys turned to sports and some of the girls followed suit by joining the Girls "E" Club.

During football season the "musclemen" of the class went out for that sport and E. H. S. ended the season with a swell record. The junior class was well represented on the team by, Joe Fantello, Glenn Kranc, Dick Garland, Bob Hanson, Ralph Wilde, Walt Henry, "Hates" Lokovsek and Jim Mariotti.

Then came the basketball season and the team was well represented by juniors, including Bob Thompson, the only one on the First Five, and Dean Johnson, "Hates" Lokovsek and Jim Forler on the first ten. These capable juniors will lead the school to victory next year.

Of the three in second team yell squad Joan Malgarini and Gene Wright helped with the pep at games.

The Junior also sponsored noon Sock Dances under the chairmanship of Marcella Koshak.

Other activities that the Juniors participated in were Ski Club, Hall Patrol, Science Club, Annual Staff, School Plays, FFA and FHA.

Of the scholastic classmates, the class of '49 had the largest percent of students in Torch Honor Society.

The main event of the year was on March 6, when under the co-chairmanship of Donna Landskov and Dick Garland the junior class gave its annual Junior Prom. The theme was "Golden Earrings" and the decorations were carried out with a gypsy setting.

So we say good-bye to our Junior Class year, full of fun and wonderful experiences and hello to 1949, our Senior year!

SENIOR CLASS

AS SOPHOMORES:

When we, the class of '48, took our places in the sophomore section, we began a chain of events that led to an exciting climax, our graduation from E. H. S.

Our first duty as sophomores was to choose class officers. Bob Stobie led our class as president, Del Grennan as vice president, and Bob Michelitch as secretary-treasurer.

Our assembly, engineered by Martyna Nachtsheim, took us into the future as we pretended we were seniors at our class picnic.

Our dance, which we called the "Hayseed Hop" drew a large crowd.

AS JUNIORS:

When we moved into the junior section, we felt we were nearer our goal than ever. For class officers we elected Bob Hansen, president, Wayne Thomas, vice-pres dent, and Lois Gunderson, secretary-treasurer.

Del Grennan was general chairman of the Junior Prom, "Cupid's Capers". The gym was transformed into a dreamland of red and white streamers with a cupid in the center, complete with bow and arrow.

The junior assembly, directed by LaVera Martinelli, was in the form of a Gay Nineties Revue. Two old friends, Alan Leland and Wayne Thomas, met after several years of separation and renewed memories of the gay past. Among the bright spots of their reminiscing were "On the Boardwalk", "In Apple Blossom Time", a picnic by the "Seaside", and a can-can dance entitled "Smartie". We really worked hard on it and it was enjoyed by all.

AS SENIORS:

At last we were sitting in the senior section and did it feel good!

Starting that eventful year, we elected Lois Gunderson, president, Dave Potter, vice president and Julia Johnson, secretary-treasurer. We had of course Mr. Ashim as advisor, and helping him were Mrs. Postler and Miss Stead.

The most outstanding event of the year was our Senior Ball, entitled "Serenade of the Bells." Evan Richey was chairman of the affair and the students, under his direction made the dance one that will be remembered for a long time. The gym was decorated in pink and white with small pink hearts along the sides, bearing the names of the couples who attended. A wishing well was the center of attraction where all the couples went to make their wishes.

Our class had many outstanding athletes in its midst, who helped our Bengal squad win many exciting games. Eddie Annas, who made All Conference End in his junior and senior year and All State End as a senior and Del Grennan who was All Conference Back as a senior.

The senior play, "It's Spring Again a 3-act farce comedy, proved to be one of the outstanding dramatic productions of the year. The cast included Shirley Ildstad, Warne Nelson, Alan Leland, Dorinne Hobbs, Martyna Nachtsheim, Dave Potter, Laverne Babcock, Dick Straley, LaVera Martinelli, Jim Ghiglione, and Ray Bristor. Many seniors who were not able to turn out for the cast helped with the properties, business, scenery, make-up and on other phases of the production staff.

Considering everything, we the Class of '48, are proud of our record at Enumclaw High School.

ACKNOWLEDGEMENTS

WE, THE STAFF:

WITH DEEPEST HEART WARMING THANKS, EXTEND OUR APPRECIATION TO THOSE WHOSE WORK HAS BEEN OF INESTIMABLE VALUE IN COMPLETING THIS BOOK, TIGER TALES, 1948, LARGEST IN THE HISTORY OF OUR SCHOOL.

Our most sincere appreciation goes to the advertisers, without whose assistance this edition could not have been printed.

Mr. Henry A. Hergert, of the Courier-Herald for his splendid cooperation and understanding of last minute difficulties, who set the type for this book.

To Mr. Leslie Shaw of the Farwest Lithograph and Printing Company, for his many helpful suggestions and his untiring efforts to see this book completed.

To Mr. Paul J. Standar of Standar's Studio for taking all the formal photographs, group photographs, and his excellence in too many instances to mention.

To the Faculty for being willing to give assistance, advice, and permission to be absent from class work in the interest of this book.

To the Administration, whose understanding and cooperation has been most helpful.

And above all, our thanks go to our Advisor, Mr. Rex W. Waldron, for his valuable support, guidance and assistance.
